Subject: Change the title of course SPLP4311 Speech Perception to SPLP4311 Fundamentals of Speech Science

The title Speech Perception does not capture the breadth of knowledge covered in this course. The course description currently in use is appropriate. No other changes are necessary for this course. A more appropriate title only is being requested.

Thank you for your consideration.

Subject Prefix  SPLP  Course Number  4311  

Title:  Speech Perception

<td>Speech Perception</td>
<td>Fundamental of Speech Science</td>

Rationale for Changing the Course

The new title more appropriately captures the breath of the knowledge to be covered in this course, while the title Speech Perception is too restrictive to one area of the speech sciences.

Thank you.
